AutoCAD For Windows

This year's best-selling games on the App Store and Google Play Store for Christmas: With prices beginning at \$5.99, AutoCAD is the cheapest of the mainstream CAD systems. For about three decades, AutoCAD has been the industry standard for drafting software. The primary competitors to AutoCAD include Trimble SketchUp and Inventor Pro by Autodesk, CATIA by Dassault Systemes, Microstation by Siemens PLM Software, and Dimension by Autodesk (later bought by Autodesk). AutoCAD is still the market leader, although the number of users has been declining. In this tutorial, you will learn how to prepare drawings for the AutoCAD 2015 product release and take a tour of the 2018 application. "AutoCAD" 2015 Version: 2015, Release Date: 1/19/2018 System Requirements: Windows 10, Windows 8, Windows 7, Windows Vista, Windows XP Mac OS X 10.10 or later Android 4.0 or later iOS 8 or later Download the CAD Sample File Getting Started Open the Demo version of AutoCAD on your computer.
